Highest finish of last race breaks tie or lastest in series race with non-tied score

DNF = Did not start - the most starters for that days races plus one.

It was a great day on Lake Jacomo, Sunday. 15 boats raced in the Kuse Handicap.

The sun was out and a good breeze made for some exciting racing.

It appeared to me everyone had a great time at the after race get-together at the Brew Top.

It was particularly nice that we had the entire patio area to ourselves.

Overall, it was a fun day of racing and getting to know each other better.
