A8 SERIES TIES

A8.1 If there is a series-score tie between two or more boats, each boat's race scores shall be listed in order of best to worst, and at the first point(s) where there is a difference the tie shall be broken in favour of the boat(s) with the best score(s). No excluded scores shall be used.

What a great turnout for the Novice Regatta on August 17th! Eight skippers showed up, four of whom were students in the Summer Session. Two were brand new members who registered, paid their dues, and jumped on a boat. Now that's the way it's supposed to happen. The other two were members who hadn't sailed in a long time, so they qualified. The new students and members had the boat's owner to coach them, and since Dustin was on a Laser, Pat Carr sailed beside him as coach.

Three races were held in light winds and sometimes no wind at all. Almost every participant got some experience sailing backwards. A short course was set with multiple laps so there would be a lot of practice tacking and jibing. Many thanks to Alan Fransen, Sweet 16; Jim Summerville, Sweet 16; Ed Seacord, C-Scow; David Gibbin, C-Scow lending their boats and working as crew in the event.
